Informatics Academic Office

MIN Campus (Bundesstraße/Sedanstraße)

Agenda

1. Tasks of the Studienbüro (Academic Office)
2. Your contacts in the Academic Office
3. Opening hours
4. Further contacts
5. What to do if there are problems with STiNE registration
6. Exams and exam re-takes
7. Crediting of courses
8. Part-time study
9. Other issues
10. Personal hints

Tasks of the Academic Office. We are there, ...

- ... if you need **study counseling** (e.g. for academic leave, part-time study, etc.)
- ... if you need to hand in **documents to the examinations board** (applications, crediting of courses from a previous program, etc.)
- ... if there are **problems with registration in STiNE**
- ... for **certificates regarding your course**, that are not covered within STiNE (Transcript of Records, final certificate, etc.)
- ... to find a **contact person** for specific issues or problems

Academic Office or CampusCenter?

Academic Office	CampusCenter
Study Program related issues	University related / general issues
Responsible for all study programs in Informatics	Responsible for all students
E.g. module registrations, examinations, sick notes…	E.g. part-time study, academic leave, withdrawl from program…
STiNE Account, Transcripts, BAföG forms (no BAföG counseling!)	Semester fee/contribution, semester ticket…
Where? – MIN Forum, 5th floor	Where? – Alsterterrasse 1

Universität Hamburg

Academic Office - Office hours

Please note that the office hours of individual team members may vary, see: https://www.inf.uni-hamburg.de/en/studies/orga/stb.html.

	On-site MIN Forum, 5th floor	By phone (see team list for phone numbers)
Mon	10 am – 11 am and 1 pm – 3 pm	8:45 am – 4 pm
Tue	10 am – noon and 1 pm – 3 pm	8:45 am – 4 pm
Wed	10 am – noon and 1 pm – 3 pm	8:45 am – 4 pm
Thu	10 am – noon and 1 pm – 3 pm	8:45 am – 4 pm
Fri	closed (but available by phone)	9 am – 2 pm

You can reach us by email: studienbuero.inf@uni-hamburg.de

Contacts

Your contact for all questions regarding exams:

- **Antonia de Luca**
  Requests: studienbuero.inf@uni-hamburg.de

Your study coordinator and academic advisor:

- **Dr. Dennis Becker**
  particularly advice for study plan, focus and extension choice, requests to the examination Board:
  ias-team@informatik.uni-hamburg.de

Your program manager / Head of Examination Board:

- **Prof. Dr. Stefan Wermter**

STiNE Registration for modules, lectures, and exams

- Please take care that you **fully register** for:
  - Module
  - Lecture(s)
  - Exam(s)

- Please have a close look on **deadlines for registration and de-registration**:
  The Academic Office sends out e-mails on a regular basis!
  Please read them....

STiNE Registration periods

- Registration period for first semester students:
  - Until Thu, 08.10.2026, 4 pm

- Correction period (“first came, first served”):
  - Mon 12.10.2026, 9 am to Thu 22.10.2026, 1 pm
  - Only for leftover capacity!
  - Therefore: Preferably, register within the first registration period,
    since you might find capacity filled in the modules of your choice during the correction period!

STiNE troubleshooting

- If you lost your log-in details, you can obtain your user name or reset your password via www.account.uni-hamburg.de
- Two-factor („2FA“) registered?
  - Two-factor authentification see: https://www.rrz.uni-hamburg.de/en/kennung-authentifizierung/2fa.html
  - Recommendation: Set up your smartphone with QR scan function as a second factor.
- For further questions/issues, you can also e-mail the STiNELine at stineline@rrz.uni-hamburg.de

Module registration form

Registration for Modules / Lectures

Porgramme **B.Sc.:** ○ Inf ○ WiInf ○ SSE ○ MCI ○ CiS ○ LA
M.Sc.: ○ Inf ○ WiInf ○ ITMC ○ BioInf ○ IAS ○ LA
○ Other (ERASMUS/minor etc.) _____

Semester: ○ Winter 20____/____ ○ Summer 20_____

Family Name:	First Name:
Student-ID (Matrikel-Nr.):	Tel.-Nr.:
E-Mail:	

The **classification** of the module as defined by the subject-specific provisions of your programme: **R** for required courses (Pflicht), **RE** for required elective course (Wahlpflicht) or **E** for elective courses (Wahl).

The **module number** is an acronym for the title of the module, in most cases referring to the German title, e.g. *Image Processing* is *Bildverarbeitung* in German, module number InfM-BV. The pattern of Informatics module numbers is **InfB-XXX**, **InfM-XXX**, **MBI-XX** or **ITMC-XXX**.

Informatics **course codes** are **64-XXX** or **67-XXX**.
If unsure about module numbers or course codes, please refer to the STiNE course catalogue at http://www.stine.uni-hamburg.de ▶ English ▶ Course catalogue

	Module status	Module number	Course code (LV-Code)	Course title	If more than one group is offered: Group-No with Priority 1	2	3	If registering for the exam is desired: Exam round
Example	R	InfM-BAI	64-454	Lecture Bio-Inspired Artificial Intelligence	-	-	-	⊗ 1. ○ 2.
	R	InfM-BAI	64-455	Seminar Bio-Inspired Artificial Intelligence	2	1	-	○ 1. ○ 2.
								○ 1. ○ 2.
								○ 1. ○ 2.

- Your program
- Current Semester
- Your personal data

Module status, number, course code, title, group optional:

- exam (if exam registration desired)

Registration 1. semester modules

Registration and re-registration of exam dates

- You have to register explicitly for all exams.
  - No participation in the exam without registration!
  - You also have to register yourself for the second, third and fourth exam dates!
    If you fail an exam, you will not be automatically re-registered!
- Exam registrations in Informatics
  - Written exams: Deadline for registration (and de-registrations) 3 days prior to the exam date
  - Oral exams: See information emailed to you:
    Registration typically a few weeks before the exams. De-registration until 3 days prior to the exam date.
  - Exams dates: see https://www.inf.uni-hamburg.de/studies/orga/dates.html
- Other departments may use different schedules for (de)registration

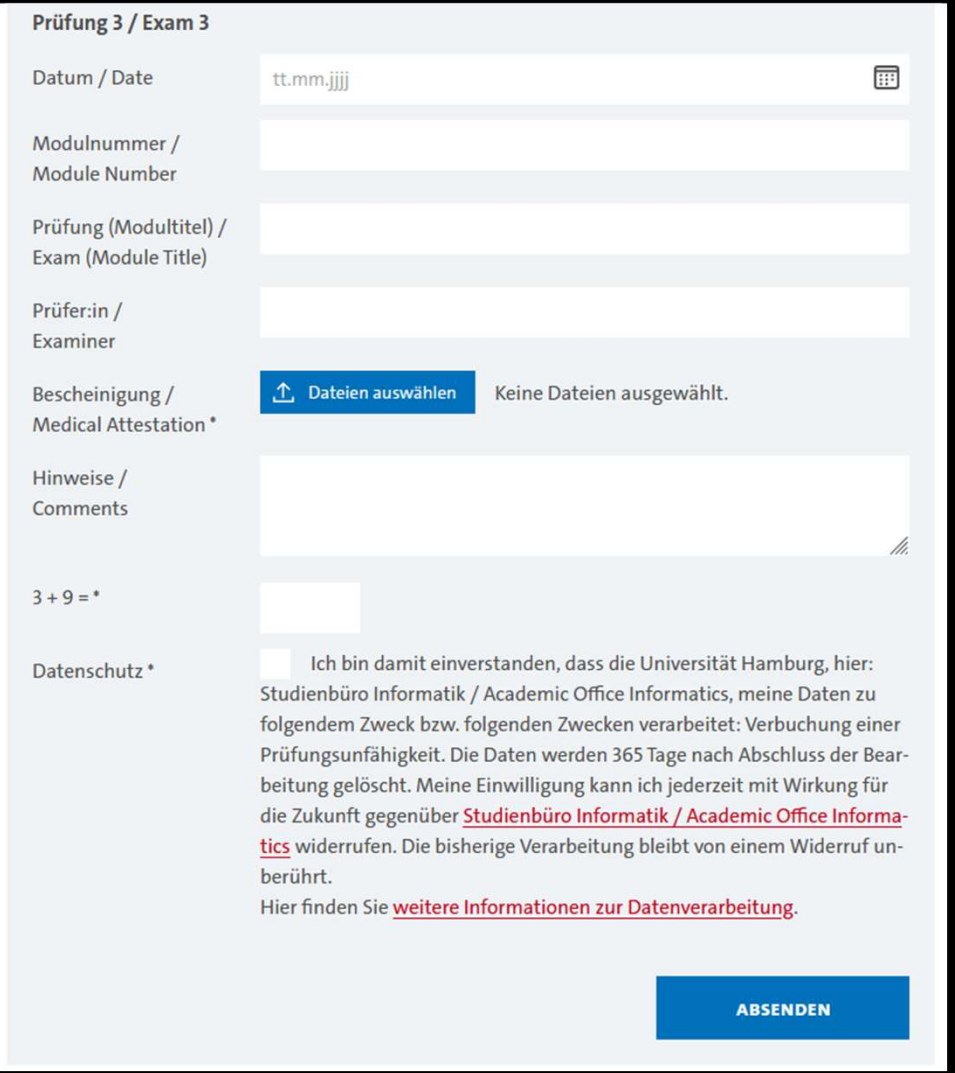

Modules with “manual” registration

- For the registration of....
  - Independent Study
    (3 or 6 credits each, may be taken more than once, up to 12 Credits total,
    of which up to 6 credits in Focus option and the rest as Extension)
  - Master Thesis

  ...we have separate forms to name the desired topic and to obtain the signatures of the proposed reviewers.

Exam Re-takes

- Maximum of **4** tries (3 re-takes) for each module.
  - Failing a exam four times means withdrawal from the program!
  - This applies to any module! Regardless, if mandatory, focus option or extension option!
  - Final thesis only 1 re-take!
- If you fail twice or trice in a required elective module, we recommend to change this module
- If you do not wish to attend a registered exam, then de-register this exam before the deadline!
  - In case of illness, hand in a doctor's notice within 10 days after issuing
  - Otherwise, missing a registered exam will be counted as failed attempt!

Webformular notification of illness

- Your personal data
- Doctor‘s note scan or photo
- Exam(s) missed due to illness

Deadlines

- The standard period of study is 4 semesters
  - BAFöG is possible for an additional “flexibility semester” once per academic career...
  - ...plus up to 2 semesters via the final grant (pure loan)
  - After double the standard period of study plus 2 semesters, i.e. 10 semesters, the university may withdraw you
- Withdrawal
  - Failing the same module’s exam four times
  - Four semesters in a row without earning credit points by completing a module
  - Compulsory study advice if the standard period of study is exceeded by more than two semesters, i.e. before the 7th semester
- There are no deadlines for the individual modules

Crediting of previous courses

- You can request crediting of courses, if...
  - ... these courses correspond to modules that exist in your Master's program
  - ... you have not yet conducted the exam of the corresponding module (and have no binding exam registration)

Crediting of courses

Process:

- Step 1: Decide which modules you want to be credited
  If there are questions, contact the program advisor Dr. Dennis Becker
- Step 2: Complete the request for credit recognition in STiNE...
- Step 3: ..and inform the Academic Office, citing your request number.
  Apart from your signature a PDF summary of your request (that you will receive by reply), you need a Transcript of Records (or similar proof of your previous studies) and module descriptions (“module handbook”, “syllabus” or similar)
- Step 4: Wait for decision of the Head Examination Board

Part-time study

- **Permitted if..**
- ... *working* more than 15h per week
  - Proof: e.g. Certificate of employer
  - Note: A student visa typically permits working up to 140 full or 280 half days per year
- ... *caring* for children below age 18 or family members in need of care
  - Proof: e.g. birth certificate, etc.
- ... *disability or other chronic disease* that affect the ability to study such that full-time study is impossible
  - Proof: e.g. medical certificate

Part-time study

- Purpose: Study **workload reduced** from 30 ECTS to 15 ECTS per semester
  - Advantage: Adjustment of regular study time.
    Together with your program advisor you agree on an adjusted study plan.
  - Disadvantage: Can have effects on BAföG, grants, child benefits, visa agreements...

- Note: Final thesis has to be conducted in full time (6 months, approx. 40 hours per week), even if you are a part-time student

Other issues...

- Use the forwarding function in STiNE for your e-mails. Otherwise you might miss announcements of lecturers on e.g. room and date changes that are sent through STiNE
- Read your university e-mail, usually first.lastname@studium.uni-hamburg.de.
  - Stand means of communication in the department
  - Not to read the mail may lead to bigger problems in the course of your study (registration periods missed etc.)
- Please attend the lectures, otherwise we risk losing hybrid/digital options!
- Use websites of the Academic Office and of M.Sc. IAS for information

Even more advice

- If you seriously want to study, then do it from **the start**!
- Keep your exam registrations and re-takes in mind!
- Connect to each other!
  Study groups, student representative committee (Fachschaftsrat)...
- Use the help that is offered!
  Dennis Becker, Academic office, Center for Academic Advising,
  Psychological Counseling,
  Office for Studying with Disabilities and Chronic Illnesses...

MIN För Hamburg (STEM studies for International Students: Promotion for the Hamburg labor market)

Preparation Module:
FIT to Hamburg
including online tutorials on enrollment, visa and arrival

Module 1:
FIT into your studies
e.g. through reflection phases on the course of studies, specialized language courses or interdisciplinary networking opportunities

Module 2:
Fit for the job market
e.g. through the acquisition of transversal skills, an overview of the Hamburg job market or job-specific language courses

For teacher training:
Work shadowing and reflection

Module 3:
FIT for networking
e.g. through mentoring, networking events and international alumni talks

The current semester program and registration for the newsletter on the website!
